"School & Family Partnership: Creating Success Together" is an informational bulletin that is distributed each month to parents/guardians of all students attending Ragsdale Elementary as one of our Title I commitments to families. Please contact Sandra Mitchell, Title I Instructional Lead Teacher at [smitchell@paulding.k12.ga.us](mailto:smitchell@paulding.k12.ga.us) or by phone 770-443-2140 for more information, requests and suggestions on what we may offer to work in partnership for student academic success!

**Achievement Starts with Attendance!**

*Attendance is a critical factor in every child's school success! Children should attend school every day, except when sick or when there's an emergency. It's impossible to make-up the learning that happens on any school day. Making sure that your child has regular attendance and stays in school all day is one way you can support your child's success in school!*

**You're Invited!**

*Please join us as we share information about what it means to be a Title I school, and plans for being in partnership with you to support student academic success this year! These plans are a result of input provided by families.*

*Please mark Thursday September 21, 2017 on your calendar, and watch for a detailed invitation coming home soon! All parents/guardians of students attending Ragsdale Elementary are invited to this Annual Title I Parent Meeting offered at both 1:30pm and 3:00pm.*

*(Drop in meetings or other arrangements can be made for parents to gain the meeting information. Please contact the front office or the ILT for more information—770-443-2140)*

**Ragsdale Elementary's Parent Resource Center**

Our Parent Resource Center (PRC) offers a variety of fun learning resources available for families to borrow at no cost! Please come in and see the games, books, parent/guardian computer (with internet access), and more. The PRC is open every school day, from 7:30 am – 3:00 pm and is in Room B103 next to our Media Center.

**Can't come in?**

Just send a note to your child's classroom teacher and ask for items to be sent home, specifying if you'd like reading and/or math related activities.

**Why Wait?** Check out eligibility, and apply for **FREE or REDUCED PRICED LUNCHES** for your student today, at [www.heartlandapps.com](http://www.heartlandapps.com) or scan:
